

CLEMENTE GARCÍA TEMPRANILLO

A Limited edition, with only 1,300 bottles of Clemente García Tempranillo produced in each vintage. A powerful wine with good structure in the mouth.

I make it with 90% Tempranillo grape and 10% Grenache grape, the best Tempranillo grapes from our vineyards of between 25 and 75 years old, planted by my grandfather in plots standing from 570 to 700 m. altitude in the town of Baños de Río Tobía.

It is aged in new 500L French oak barrels for 16 months.

It is a wine of deep intensity, with a nose of chocolate and spices, providing complexity, good acidity and well-marked but not excessive woody notes.
